

LITHIUM BATTERIES

SORTING GUIDE

YES PLEASE

- All lithium batteries - e.g. batteries from bicycles, scooters, drills etc.

NO THANKS

- Other batteries
- Damaged batteries.

Examples of container types for collection:
60L / 120L UN-approved spændelågsfad

Spændelågsfad

! NB: Each battery must be secured against short-circuiting (in a sealed bag or with tape). Then packed in layers in Perlite with each battery surrounded by Perlite. For larger or damaged batteries - Please contact Division Special Affald.
